Honorable Frank Wolf
Member of Congress
241 Cannon Building
Washington, DC 20515

Dear Congressman Wolf:

I am appalled by the information contained in the enclosed *Op-Ed* piece which appeared the New York Times this morning. I have followed this particular case and continue to be less than satisfied by our government's actions.

Can you please explain to me how we can condone such activity and how the Congress of the United States can allow such egregious behavior by our government officials? Where is the oversight? What would be your reaction be to this kind of behavior if it were the Canadians who sent an American citizen of Syrian background back to Syria to be tortured?

Sincerely yours,

B6
